Background and experience

Please briefly present the partner organisation.

Our school, which began its education life in 1982 under the name of Merkez High School, was named as 60th year High School in 1983 and Selçuklu High School in 1989. Secondary school section within the structure of the school was gradually removed starting from 1993-1994 academic year. Foreign Language Intensive High School was opened within the structure of our school in the same academic year. Last students of Foreign Language Intensive School were graduated in 2008. By gaining Anatolian High School status, it was named as Konevi Anatolian High School in 2010.

There are 24 classrooms, 1 gymnasium, outdoor playing fields, 2 libraries, 4 laboratories, 1 informatics room, 1 R&D room and 1 assessment and evaluation room in our school, which has 62 branch teachers and 938 students.

Our school has achieved significant successes especially in the area of sports. It has ranked in football, chess, weight lifting, volleyball, folk dance competitions.

4006 TÜBİTAK Science Fair is held in our school, In addition , our school took the third place in the region in inter-high school TÜBİTAK Science Competition held in 2018. eTwinning projects are also carried in our institution. In addition, Ekip 42 and SEDEP projects are also held.

Konevi Anatolian High School continues its works as a coordinator school within the scope of Erasmus + Project .Our school's information and technology infrastructure has reached the highest standards within the scope of FATİH Project of Ministry of National Education. Our school, which provides service to approximately 1000 students with 62 researcher teachers, continues its works. In our school, we have thirty classes, three workshops and four labs. Our school is conducting many club, social activities and guidance activities within the scope of its vision.

What are the activities and experience of the organisation in the areas relevant for this application?

KONEVI AL has a wide experience in highly qualified facilities for training courses, meetings, workshops, etc. with different skills: its facilities, together with the staff's skills, allow to always meet the stated/universal goals.

Our school has realized a lot of European projects, especially with Erasmus Plus (KA1 and
